

Remarks

Applicant submits herewith a substitute specification in accordance with 37 CFR 1.125 including a version with markings showing all changes relative to the immediate prior version, that being the English Translation of the International Application with additional substitute pages based on the Annexes to the International Examination Report as provided in the Preliminary amendment filed June 21, 2006. A clean version without markings is also attached as required.

Changes made in the substitute specification add headings, correct grammar and idiomatic language usage and remove express references to claims while substituting therefor language from the claims referenced. The substitute specification includes no new matter.

Respectfully submitted,

February 13, 2009
